It's so windy today, isn't it, Sayuri?
Yes, Yoriko-senpai.
VWOOOO
Kya!
OOOSH
pushed
Senpai, you're eating way too much hair.
Sayuri, did you get hurt?

ゆりめく4

『I'd rather you ate it』
Oh my
sweep
Ah
Eh?
Sayuri, you have a grain of rice on your face.
BLUSH
If you won't eat it, please just throw it out.
I will keep this precious memory of you.
S-Senpai...
ba-thump
ba-thump

『There's nothing like that in it...』
Um... Senpai, I want to give you something.
Fidget
Oh my. What is it?
I baked some cookies.
How lovely.
B-But I'm not sure if they taste good...
That's all right. Don't worry.
Your feelings are the most important.
And that has nothing to do with the taste.
Even if there was a bug in it, I'd eat it with delight.
If you really see one, please don't eat it!

『Like a kid...』
Sa-yuri.
Sen-pai
Bounce
I don't think I've seen you in a track suit before.
Really?
You have P.E.?
Yes, and you?
Art.
She looks dignified even in a track suit.
...Ah
Senpai's butt is really dirty
Clench
See you later, Sayuri.
Yes.

『I don't know anyone like that』

It's a poncho.
It's a gift.

You mean this?
Sayuri, what have you been knitting?

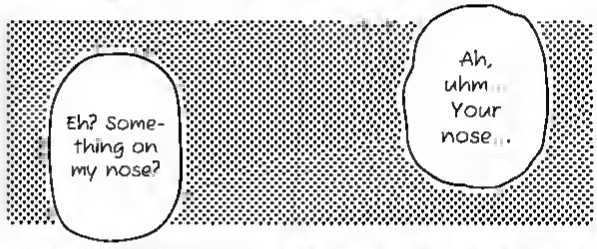
It's for...
A gift? For whom?

"For whom"
Ah geez, how uncordial to ask.

Who is this uncordial?! A foreign-er?!
rat
It's not a person's name!
tle

Are you okay?
I've been sneeezing a lot recently

Achoo
Achoo



Eh? Something on my nose?
Ah, uhm... Your nose...

Snot is coming from...
Yes, thanks, I'm fine.
Dro

It re-treated...
Fnii...

Snotty snot, why are you so mean?!
Hah, that's great!
Dro
ooop

Ah, yeah, I guess it's fine now.
Hm? There's nothing there.

『Meeting each other in a dream』
You know, I had a dream yesterday...
A dream?
The two of us were washed ashore on a deserted island.
WOOSH
But Sayuri, you weren't breathing...
Sayuri!
Wake up!
And I dont know CPR, so..
I laid you down, naked as you were...
Ushh
And I covered your naughty parts with sand, because that's all I could do...
I'm so sorry I was useless and couldn't save you!
It's okay, Senpai, it was just a dream!
And thanks for being concerned about my privacy.

Eh? They're all right.
Say, Sayuri, do you like beetles?
Look
I actually found a female beetle just now.
Rzz Rzz
!!
『I'm sorry...』
Cock-roach!
S-senpai, that's a...
Eh...?
